Hello Bill,

Just a short note to tell you what a great time that my boys and I had on my goat hunt.

The guide service you provided was excellent. The food, the camp, the horses, and the comradery was superb. The after dinner camp fire discussions and old hunter's tales were great!

Bill, if you ever need a reference for a quality hunt for anyone, don't hesitate to have them call me and I'll tell them what a great service you provided.

The boys pushed me hard, but I'll have a lifetime of wonderful memories of our hunt.

Best Regards,

Don
