Dear Bill

Been meaning to drop you
a line for weeks!

We have been on the run
for 30 days or more. Stephen
moved into another house -
we practically moved out of
our house to have new ~~car~~ carpet
put down.

Went to Dan's daughter's grad-
uation in Twin

Went to Lake Tahoe to Joni's
Steve's sons wedding - and
visited Dale in Carson City in between.

Anyhow, I did not get to say
goodbye + thanks at South Fork the
last day we fished. It was a great
~~great~~ quality trip for me due to your
kind guide service!! Much
appreciated by an old man -
Here's \$50 to help with gas for
your boat - I'll give you a
call when we get to Rubies nest
time!
Thanks again -
Paul Don
