

Hi Bill,

Please enjoy these photos.

I love the SnowCock Hunt -

My Brother in law (Brother) blew
it up for you per my request.

GARY loved that trip as you
know already - the other a friend's

mom took the Big Horn sheep picture
from her back door in Boulder City, NV

years ago - she must have developed
it in the broze tone - and here's a
picture of Gary, Sage & Myself 9/2006.

He's making progress - slowly but surely -
Answerd prayers for sure! I don't even
