Dear Bill

Thanks for the great time I had. I will long remember my first vacation to "Idaho". Everyone loved the fish too.

Just want to let you know that I have sent the Red Fly Shop a letter of appreciation and I am enclosing as many names and addresses of fly shops etc. that I can find.

I've been telling all of my friends about your Guide Service and I think that one of the fellows from work who is into hunting will be giving you a call. His name is Michael and he's Chinese.

Best wishes for a fantastic season.
My best to Cathy, Ben, Patrick + Percy and to you my friend.

Sincerely,

George L.
