Dear Bill, Pete, and Todd:

Here is my \$750 balance for the Snow cock hunt. Needless to say it was a great hunt- especially since a nice mature male snow cock did not have his bullet proof vest on like the one I shot at last year. I have frozen the bird and will take it next week to the taxidermist. I am looking forward to seeing some of the pictures taken by Tom Huggler.

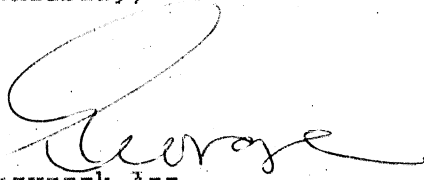

As with your usual style, the camp conditions and the food were very good. I really liked the new cots and other amenities that you have added this past year. Pete, those dumplings were an unexpected treat! Todd, you must have ordered that good weather special for this trip.

I hope your other hunts for elk, deer, ducks, geese, and fish turn out as well as my hunt and I hope to see any of you next time you are in Reno and later when we hunt together next time.

The other checks are another way to say thanks.

Thanks again for making all this possible.

Sincerely,

Snowcock Ace
