Bill

We would like to engage your guide services again this summer. We are all looking forward to some sun and warm weather, seems like the winter has been particularly long, though we needed the precip.

Could you accommodate us on either July 8th and 9th, 2008, or July 9th and 10th? We will be staying in the Ruby Marshes campground again. We really enjoyed our bass fishing experiences with you last summer and look forward to more.

Thank you
